Bufalaz[®]

Italian Gelato with buffalo milk

Bufalaz[®]

We are an **Italian company** from **Campania**, born from the **love for gelato** and a **desire to enhance a unique and precious ingredient**: the **buffalo milk** from the **Valley of the Temples in Paestum**, a **symbol of excellence** in our region.

By **combining carefully selected fresh ingredients** with **meticulous processing techniques**, we can create a **creamy, nutritious, and highly digestible gelato**.

Thanks to our **short supply chain**, we **process buffalo milk** just **few steps away** from its source, **delivering ultra-fresh gelato** straight to your table.
